PERSONAL PROFILE

Hello, I am Burak Alp Yasar, Computer Engineering 4th Year student from Dokuz Eylul University Izmir/Turkey. I have nearly approaching 10 years of programming experience. I have had worked on numerous personal projects, university projects and internships projects. Some of the projects have been publish on my Github account and some of them are showcasing in the Google Play store and Chrome Web Store. I am most advanced in JavaScript/Python/C# languages, in addition to that I have been coded in several more other languages and projects. I have attended an Erasmus Exchange Programme where I could found a opportunity to improve my language skills. I am about to complete my Computer Engineering degree in July 2022, I am currently looking for a job opportunity.
